The Rinnai ES Electric Fireplace Range - Now Available with Real Logs

Bring the beauty of nature indoors with real timber log set, now available across the Rinnai ES Electric Fireplace Range. Each log retains its natural grain, texture and character, creating a truly unique and authentic fireplace experience.

Locally Sourced Timber

Made using responsibly sourced local timber.

Handcrafted in Melbourne

Each log individually shaped and handcrafted locally.

Natural Character

Every piece retains its unique grain, texture and natural variations.

Giving Timber a Second Life

Crafted from reclaimed Victorian radiata pine, giving existing timber a new purpose.
