

Rinnai

Space Heaters

Radiant and Convection

Get warm and comfortable with this classic

Rinnai's extensive range of gas flued space heaters combines cosy radiant warmth with the superior quality and reliability Australians have come to depend on. Designed to be fitted into an existing fireplace, they're an ideal way to warm living areas while creating an attractive feature for your home. Powered by gas, these heaters produce far less greenhouse emissions compared to electric or solid fuel heaters. With a familiar radiant glow, you can be sure that Rinnai will provide a heater that you know and love.

Ultima II

- Full electronic thermostatic control, select a desired temperature which is then maintained by the heater
- Dual digital timers allows for on and off programming for both mornings and evenings (weekday and weekend)
- Gentle 2 speed fan, allowing for even heat distribution
- Easy to use one-touch electronic ignition as well as a child lock

Ultima II in Gunmetal

2001 in Brown

Spectrum in Beige

Flueing Options

1. Inbuilt

2. Console

Note: All flueing components supplied by installer.

2001 & Spectrum

- 2 speed fan allowing for even heat distribution
- 2001 – select from 6 thermostatically controlled temperature settings
- Spectrum – 3 easy push button heat selections
